

DISCO Protocol

Test Instructions: Create your event

Step to step:

1. First, request some Disco Tokens [here](#).
2. Go to our [website](#) and select [Launch App](#).
3. Click on [Create event](#).
4. Fill out the form with the information of your event. Don't forget to select a banner to highlight your event.
5. Set your tickets' amount and price (on Disco Tokens).
6. Sign it, and your event is ready!
7. Return to the [Events Board](#) to see your just published event. For more info about your event, click it.
8. On your event's page you can see all the details: name, description, beginning and ending dates, duration, real-time ticket sales, and the treasury. You can also view the ticket mint and the treasury in explorer.
9. Buy your own tickets by clicking on the [Buy Tickets!](#) button, select the amount of tickets you want to purchase and select [Pay With](#) (your wallet here) or scan que QR code to pay using Solana Pay.
10. Give us your [feedback!](#) How did it go?
